

CAPABILITY STATEMENT

ABOUT US

Logistic Support Group was established not only to serve the core competencies, but to be a force multiplier to its customer globally. We are a proud Service-Disabled Veteran Owned Small business (SDVOSB) that takes pride in being the beacon of expertise in the ever-changing domain of Logistical Support, Minor Construction, Project Management, Country Clearance, Free Trade Zone Support, Facility Support Services and Contract Management. We are the continuity to the benefit of our customers, bridging the chasm between Federal Acquisitions and the intricate needs of the U.S. Federal Government and the North Atlantic Treaty Organization (NATO).
